TREE OF SHARING

The Holiday Tree of Sharing is fast approaching. Tree of Sharing gifts tags will be available for distribution by the middle of November. I hope to have tags at the November 17 Council Meeting. Please attend this meeting to select one or more tags for gifting Christmas "Wish" items for needy children in the area. If unable to attend this meeting, please call me at 683-3590 if you would like one or more tags. Details will follow regarding procedure for wrapping and returning the purchased items to me as well as the date I would need to receive the items in order to get them to Charlotte Hooper at the ABC Food Bank.

PEND OREILLE CITY INVESTIGATIONS

The Kootenai County Historic Preservation Commission obtained a Certified Local Government grant for archaeological research at Pend Oreille City at Buttonhook Bay. On September 26 and 27, University of Idaho Professor Dr. Tracy Camp and archaeology students conducted a field survey which included inventory, mapping and photo documentation. This was the first phase of investigation which will result in recommendation for nomination to the National Register of Historic Places.

During survey and mapping, the team correlated GPS with historic maps and identified features and artifacts which were associated with the 1860s settlement and steamboat landing period and later use of the site. The U of I will also conduct LiDAR mapping which utilizes remote sensing laser technology to create high definition aerial photos showing features hidden by vegetation which are indistinguishable on the ground. Survey and recording have shown that there is potential to discover more features and artifacts at the site. With National Register designation, the site can be managed to protect it from further destruction and ensure future interpretive opportunities.

A second grant will fund 2016 U of I investigations which will include ground penetrating radar mapping, artifact analysis and preparation of documents for the National Register nomination.

Brrrrrrr ... It's 33° outside!

Here's some storage tips, before freezing temps hit
equipment that is stored:

Change the engine oil and filter, both before and after
storage.

Be sure motors are protected to -30* with antifreeze.
Use -30* **RV type** anti freeze in camper sinks, toilets,
water lines, boat motors and jet skis

Gas can go bad in just 30 days. Add fuel stabilizer and
top off gas tanks.

Use "fogging oil" in engine cylinders. Grease or lube
bearings, pivots and linkages. Install a new air filter.
Check tire pressures, then block tires off the ground.
Protect tires from sunlight.

Remove battery, check water, clean terminals.

Store inside, off the floor, in a warm area, away from
flame sources. Keep charged up with a "Battery
Tender" type charger.

Clean and wax equipment, WD40 works on metal or
rubber parts.

Remember: An ounce of prevention is worth a pound
of cure.

**Winterize all lawn, garden equipment and vehicles
now....before it freezes!**

Feel free to give Steve a call if you have questions or
need help.

**In the US about 280 million turkeys are sold for the Thanksgiving
holiday. Around 40 million green bean casseroles are served.**

MORE NEW RESIDENTS TO WELCOME TO TOWN

Mark and Trish Duncan purchased a home on 6th Street and have
been busy remodeling it. They are from Hauser Lake but love
Bayview and will make it their vacation home.

Ed and Bonnie Schlosser moved here from North Dakota and
recently purchased a home on Cape Horn Road.

On First Ave new owners Dean and Dennis Tiewater from California
are making Bayview their new home.

Pool Subs in Demand

Looking for something to do this winter? Why not be a
substitute on a pool team? Teams are full now but always
needing subs. Pool league begins in Nov. and goes until end
of March every Thursday at 7pm. The teams are: JD's
Resort, Captain's Wheel, Pastime, American Legion, and
Spirit Lake's Linger Longer Lounge. All teams are coed.
Some teams have been together for years and pool teams in
Bayview goes back 30 years and some teams have played
together for years. It only costs \$3.00 per person nightly to
play. For more info: call Sandie at 683-9958
