Lake Pend Oreille Yacht Club Race

by Bob Moore

After 11 years of officiating at the sailboat races for the local club, I finally saw what very well could be referred to as "a perfect race." The club has a variety of courses and race lineups that can be used and one of them is called an "equalizer race." It involves a staggered start depending on a boat's handicap rating. The slowest boats start when the clock is at "zero minutes/seconds" in the starting sequence. The lower the handicap the later the boats will start in the sequence.

This race is designed so that all the boats would finish together. Skipper's skills, crew skills, wind, and other factors align to go against this theory. On Sunday, the 18th of September, it finally did go right. There were eleven boats in the race and ten of them finished within a six minute time span.

Racing here at Lake Pend Oreille is what someone referred to as: "beer can racing" involving bragging rights and lots of conversation about who did what and why. It's a great group of people who get together spring, summer, and fall in all types of weather to have fun.

So, if you're interested, come out and join us. Boats are always looking for crew members.

Property Tax Reduction Program

The property tax reduction program (Circuit Breaker) reduces your home or mobile home taxes if you qualify. If your income is \$29,470 or less a year you might want to contact the Kootenai County Assessor.

As of January 1, 2016 you qualify if you are 65 and older, a widow(er), or are disabled as recognized by Social Security or Federal Civil Service. There's an application to complete and you must provide proof of income, medical expenses, ownership of property, and the requirement you meet (age 65, disabled, blind, etc.).

Airport Shuttle Available

What if you need a ride to the airport, have a departing flight at 6 am and don't want to ask anyone to take you? It's a big favor to ask anyone to drive you to the airport especially with a 4 am wake up. This can be a problem for any of us.

A Coeur d'Alene business, Payless Airport Shuttle, will pick you up at your door and drive you to the airport or anywhere else. You will need to make a reservation at least one day in advance. Owner, Jeff Hall, has been in business 18 years, has five employees and three minivans. Rides to the airport cost \$80.00 for one to two people and he doesn't take credit cards, only checks or cash.

It might sound steep but if you consider it's almost a three hour round trip, the cost of gas and the convenience, then it might just be worth it. It's always good to know that there's another choice out there in case your stuck with no way to get to or from the airport. For Payless Shuttle call [208-762-7433](tel:208-762-7433).

Grim Tale Retold

In December 2009, local Bayview resident Larry Cragun, suffering from a delusional mental illness, violently assaulted Yvonne Wallis, Patricia Heath and her son, Jedidiah with a hammer. Patricia Heath was killed in the attack. It's a story we all wish never happened.

The Discovery Idaho Channel will recite this tragic event on November 15, at 9 pm on the following channels:

**Time Warner Channel 138,
Direct TV Channel 285,
Dish TV Channel 192.**

Yvonne Wallis, Ralph Jones and Debra Deimler will take part in the recount of events. The Captain's Wheel will have their TV's turned to this station, if you wish to view it there.

New Restaurant in Spirit Lake

by Sheryl Puckett

Located at Sedlmayers Resort overlooking Spirit Lake is The Boar's Nest Restaurant providing a new dining experience in North Idaho. The grand opening of The Boar's Nest was on October 1.

The Egusquiza family along with other partners run the Boar's Nest and also owns Heritage Meats in Hayden hence the fact that the menu offers lots of meat entries. All of the Boars Nest meat is natural, GMO free, antibiotics free, and free range meat.

I went there on opening night and found a packed restaurant. The 12 oz rib eye was excellent and was served with the largest potato I've seen.

The Boars Nest is closed Monday and Tuesday. Winter hours are 11:30 - 9 pm Wednesday thru Sunday.

Audrey Cleave, resort manager, hopes to have a band every other weekend. They don't have a schedule right now but will try to post everything on their Facebook page (<https://www.facebook.com/boarsnestidaho/?fref=ts>). They don't take reservations.
