CELL TOWER UPDATE

On October 8, the Cell Tower committee held their second meeting. Members were tasked with gathering letters from Bayview businesses and organizations. The Council wants to thank everyone who has gotten involved to make this a community collaboration. It may be a year before we actually have cell service but with the group of volunteers we have it's certain to happen.

One Person's Trash

On October 2nd Council members picked up litter along Hwy 54 in Farragut State Park. A big **Thanks!** to all those that helped collect trash: Martin Abell, Ray & Sally Newcombe, Bob Rickle, Bob & Jean Moore, Sheryl Puckett, Sharon Meyer, Robert & Connie Hammell, Dave Hamilton, Tim & Sue Meyer. Three miles and nine full bags later made for a meaningful morning walk.

OctoberFish Winners

Congratulations, Good Job Ralph's Coffee Shop and all the volunteers who made this happen!
Ray Allison, from Cda - 22 lbs.
Ken Rieber, from Cda - 20.64 lbs.
Dan Whitney, Spirit Lake - 19.6

Kokanee Winding Down

You can still catch your limit of kokanee but they're getting a little long in the tooth. :-)
They still make for good smoking but not much time left. Soon their dead bodies will be washing up on the shore as they spawn out bringing us one more gift: the eagles coming to feast on their bodies luring much needed late season tourists for businesses struggling as a result of summer fires.
The fire storm of years past occurred in October so don't let your guard down.

THE SHORE LINES RETURNS

From out of the shadows of the past, Shore Lines is being resurrected. The two page monthly issue was Bayview's first newsletter, running from 2000 to 2008. Zak was the originator and the editor for the first seven years and Jackie Lloyd took over the final year. The cost of the Shore Lines was supported by Zak, the Chamber and the Council.

Reporting focused on upcoming meetings, events and happenings interspersed with information on a variety of interesting topics. Shore Lines gave way to the Bylines which became a Chamber of Commerce publication, recognizing that one local organization was sufficient to cover local news.

So, why Shore Lines now? Simple, much local news is going unreported. The Shore Lines will be published monthly on the 15th by email distribution with limited hard copies found around town. Enjoy!

LPOYC – October 2015

The 2015 racing concluded on October 3rd and 4th with the Commodore's Cup Regatta. Over the course of the weekend, six races were held with the start and finish in Idlewild Bay. On Saturday, the winds were howling and the waves just kept piling into the bay. On the first try we couldn't get the anchor to hold on the committee boat. On Sunday the winds were lighter, but still very strong. On Saturday, there were broken halyards, one collision, and one boat was smacked by the winds so hard it was heeled over and ended up with seaweed on the end of its "spreader bar." The races were close and the spinnakers were flying. It turned out to be a great weekend to end the season. The next race is the "Frost Bite" race on the first Saturday after New Year's Day concluding with a chili feed.

The results of the Commodore's Cup are:

Red Fleet: Spirit skippered by Mike Duncan

Blue Fleet: Emerald skippered by Steve Irwin

White Fleet: Lady of the Lake skippered by Paul Franz
I'll have results to include next month after the awards banquet this month. The club will also have new officers at that time. It is truly a great group of people, so if you enjoy the water, come out and join us. It's fun!
